PRESS RELEASE
CANANDAIGUA & HONEOYE LAKE ADVISORY
July 19, 2021

Due to the recent rainfall over the weekend a boating advisory has been issued for both Canandaigua and Honeoye Lakes. The advisory is to inform boaters to be aware of debris such as logs and other hazards that can either be on the water, or just below the water line. Boaters are encouraged to use caution and if they encounter debris that pose a hazard to call 9-1-1 and our navigation unit will respond.

Also, due to high water levels, boaters should reduce their speed near the shoreline to minimize damage caused by wakes to property owners along the shores. Canandaigua Lake does have a speed limit of 45 mph during daylight hours, 25 mph at night and a 10 mph speed limit 200' from the shoreline.

Honeoye has a speed limit of 10 mph at night and 5 mph within 200' of the shore line. Even though there is no day time speed limit, people are encouraged to operate their boat at a reduced speed due to the above concerns.

Sheriff Henderson
