A draft of the plan with updates to several sections was sent out via email by Kathy Conradt with amended or updated sections in red or highlighted in yellow. All members were asked to review and comment on the draft document.

The committee reviewed the plan and discussion included:

1. Remove the section discussing Oakmount Park
2. Update section to include 6 tennis courts, 2 bathrooms, and improved parking lot at the high school and add new basketball court at the elementary school.
3. Remove the sports football and cheerleading as they are not active at this time.
4. Add language in the section concerning multi-purpose rooms to address the large group instruction room which has been constructed at the old school office building
5. Include snowmobile club
6. Some additional goals were added for Veteran's Park

The next meeting will be on Tuesday November 30 at 7:30 p.m. at Vet's Park. Kathy Conradt will incorporate the changes into the document and send it out for review. It is critical that all committee members review the entire document for the next meeting. It is hoped that this will represent the final draft of the document. It may then be presented to the Village and Town boards for public hearing in January or February of 2022.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

Kathy Conradt
